

Dear Parent:

We would like to continue the practice of encouraging students to read books appropriate to their reading level during the summer. Fifth graders are required to read three chapter books, each with a minimum of one hundred pages. Students must read a book from each of the following categories: a mystery or adventure, a biography, and a selection of their own. Students must also make a character bubble map for one of the main characters from one of the books. It should be created and updated as the student reads the book. A sample character bubble map follows and is to be used as a reference for making their own.

Please fill out the form below and return it with the character bubble map on the first day of school.
