

SUMMER READING

MIDDLE SCHOOL/HIGH SCHOOL

Pioneer Valley Christian Academy would like to partner with parents in nurturing an appreciation for reading in our students. Please review the following page requirements per grade for your student and take the opportunity to choose with him/her reading material that you both deem suitable and appropriate for his/her age and ability. Students may choose novels, non-fiction works, biographies, short stories, plays, or poetry.

Upon completion of the summer reading, please sign the provided form, as verification, and have your student sign as well. Then have him/her return the signed form to the English teacher on the second full day of school.

Students who have completed the assigned page number of reading will receive a 100% test grade in their English class (seniors will receive an additional 100% in their sociology class), and students who do not complete the reading or do not return the signed form will receive a test grade of 0%.
