Message from the Headmaster

I have had the privilege of working alongside Godly men and women for the past 47 years, who share the vision of teaching young, impressionable minds excellent academics from a Biblical world view. I am grateful that many of our supporters share the same vision and are willing to invest in the lives of students who desire a Christian education but do not have the resources without financial assistance.

I must confess that I am a relentless fundraiser when it comes to resourcing the quality education at PVCA. As the Apostle Paul said in reflecting on his supporters, "Not that I am seeking a gift, but I am looking for the fruit that may be credited to your account" (Philippians 4:17). Clearly, Paul was more concerned about his supporters receiving heavenly

reminds us, "Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also" (Matthew 6:19-21). We are continually reminded throughout scripture that the Lord provides through His people as we partner together.

Welcome to the joy of generously investing in this great mission.

ARMS OPEN - COMMUNITY

Providing an education through a Biblical lens requires a faculty committed to Christ, with a passion to teach His truth and guide students through today's challenging questions.

Christian Education now more than ever needs supporters. Today's youth are influenced by overwhelming secular, societal pressures and often remain neutral on moral and spiritual issues, lest they affront anyone. Billy Graham once wisely observed, "Our society strives to avoid any possibility of offending anyone—except God."

HEARTS OPEN - CHARACTER

The Biblical truth and training in Christian leadership that students receive each day provide the foundation to advance their walk with Christ.

PVCA is reliant upon faithful donors to provide assistance to those who desire that their children be taught moral values and develop into leaders who, prayerfully, will one day restore traditional values.
