

## EXTENDED CARE INFORMATION

The extended care program, Eagles' Nest, is offered to parents with children in grades preschool through fifth grade who require after-school childcare due to parental work schedules. The program starts at 2:35 PM and is available until 5:30 PM with a cost of \$6.00 per hour/per child. A student picked up after 5:30 PM will be charged an additional \$15.00 fee per child, along with the \$6.00 per hour/per child fee.

In the event of an unforeseen circumstance, please make every effort to call the Extended Care Coordinator and inform her of your situation.

If you know in advance that you are unable to pick up your child(ren) by 5:30 PM, special arrangements must be made with the Extended Care Coordinator.

In the event of a snowstorm, parents should call the school office to verify that extended care will be provided.

Parents should provide a snack for the students each day.

Please check the days your child(ren) will be attending after-school extended care on the attached weekly schedule. It is imperative that all phone numbers be listed in case of an emergency. If there is a change to the regular scheduled hours, we request that you notify the Extended Care Coordinator.

Your child(ren) must be signed out by an authorized person who will be required to provide photo identification. Children will only be released to the individuals listed on the Extended Care Information Form.
