

PROM DRESS CHECKLIST
(Required for all young ladies)

All dresses/gowns must conform to the following standards:

- _____ has straps;
- _____ reveals **no** bust cleavage; the straight neckline of a strapless dress (with straps added) works best; no deep “V” or scoop necklines, please;
- _____ back does not dip lower than a normal bra line;
- _____ short dresses are no higher than the top of the knee;
- _____ midriff skin is not visible (if the dress is two-piece), including when moving (sitting, bending, etc.);
- _____ slits in the front, sides, or back are no higher than the top of the knee.
- _____ no cut-outs on the dress that show any skin or are sheer.

When you have selected an appropriate dress, please make an appointment to have it approved by Mrs. Witherow or Mrs. Mozdzanowski. A student’s dress must be approved before a ticket can be purchased.

We believe that the discussion of modesty issues begins at home; it is our desire to assist our parents and facilitate the process of selecting appropriate attire. We hope that this format proves helpful.
