WHO WE ARE PVCA is a Christ-centered community committed to developing students' individual strengths, helping them to achieve their highest potential. Taught from a Biblical perspective, students are encouraged to pursue excellence in their academics, life choices, and personal relationships. Successful graduates acquire the ability to think critically with a passion to lead and serve, affecting the world around them for God's glory.

- AP® LITERATURE AND COMPOSITION
- AP® PRE-CALCULUS
- AP® CALCULUS AB
- AP® COMPUTER SCIENCE PRINCIPLES
- AP® SEMINAR

HONORS COURSES

- ALGEBRA 1
- ALGEBRA 2
- PHYSICS
- SENIOR CAPSTONE

SENIOR CAPSTONE The goal of the capstone is to provide students with an opportunity to apply their academic skills to a new experience while further defining and developing their future goals. During their capstone experiences, students will complete an internship, possibly start a business or hone a skill, reflect on their experiences, research a relevant topic, and create and present a display. Students will also be encouraged to reflect on their God-given gifts and talents as well as areas in which they need to grow. Students who successfully complete the capstone experience will have a robust resume, proven research and presentation skills, and perhaps most importantly, relationships with people who work in their fields of interest and can guide them toward future success.

*Four math credits are required for Massachusetts State Colleges/Universities.

COLLEGE & UNIVERSITY MATRICULATION FOR CLASSES OF 2022-2025
